Discover the transformative power of Harville Hendrix and his wife, Helen LaKelly Hunt, talk about the Imago Relationship Therapy, a dialogue-focused modality created in the 1980s, is increasingly cited as a structured path for partners who want to move past recurring conflicts and rebuild emotional safety. By pairing each person's childhood wounds with the other's present-day triggers, the approach claims to transform arguments into opportunities for connection—yet its effectiveness hinges on commitment, therapist skill, and realistic expectations. The method's popularity stems from its promise to turn “negative cycles” into “positive interactions” through a set of conversational tools. Couples are taught to adopt the “mirroring” technique—one partner repeats back what the other said before responding—thereby slowing the heat of an argument and ensuring each voice feels heard. In a 2022 survey of U.S. therapists, Imago was the third-most recommended couples
