Washington Post Crossword Answers Daily crossword puzzles free from The Washington Post The Washington Post 27 February 2024 For seasoned puzzlers, mastering the subtleties of language is as essential as memorizing crossword grids. A frequent stumbling block in clues, theme entries, and editorial notes is the distinction between the words complete and completed. Clarifying this can shave seconds off your solving time and reduce frustration over ambiguous clues. Both words stem from the same Latin root completus, meaning “filled out.” Yet their grammatical roles diverge. Complete functions as an adjective or a verb in the base form. It describes a state that is whole, unbroken, or lacking nothing: “The puzzle must complete the theme.” As a verb, it conveys an action: “Please complete the grid.” Completed is the past participle, indicating that the action has already occurred. It is used to describe the result or the finished

state: “The completed puzzle shows a tidy solution.” The participle also appears in passive constructions: “The grid was completed by the solver.” Editors craft clues that test not only vocabulary but also grammatical nuance. A clue like “Puzzle complete with a 5-letter word” expects a verb or adjective answer, often “FINISH.” In contrast, a clue such as “Puzzle completed at midnight” looks for a noun or past tense verb, perhaps “FINISHED.” When the theme centers on wordplay, the distinction can shift the intended answer entirely. For example, consider the theme “Round Numbers.” A clue reading “Number complete to 100” might lead to the answer “ONE.” The past participle form, “Number completed to 100,” would hint at the word “FINISHED” instead. The subtle shift changes the solution and the thematic link. Past participle use: Reporting a finished action “The puzzle has been completed.”
