even thousands off their out-of-pocket expenses each year. Below is a practical guide that walks a curious beginner through real-world scenarios, actionable steps, and the few pitfalls to watch. Delta Dental's core offering is a tiered network: In-Network providers receive negotiated rates, while Out-of-Network dentists bill you the plan's "usual and customary" allowance, which is usually higher. A typical plan covers 80 % of preventive services (cleanings, exams, X-rays) after the annual deductible, but only 50-60 % of restorative work such as fillings or crowns. Knowing these percentages early prevents surprise bills. Most Delta Dental plans waive the deductible for preventive care. Schedule your biannual cleaning and exam at the start of the year, and the insurer will usually cover the full cost. If you wait until the middle of the year, you risk paying the deductible for any unexpected urgent visit that follows. Ask your dentist to confirm that the cleaning is coded as a preventive service (C/D1120).
