Coach Kellie Harper emphasizes purpose before execution. By asking “why” a specific play matters—whether it protects a fast-break opportunity or prevents a second-chance point—the coaching staff embeds intent into muscle memory. This mirrors the “5 Whys” methodology commonly used in business improvement. When players can articulate the rationale behind a defensive stance or a screening motion, they react faster and with fewer hesitations. The result is a measurable reduction in miscommunication errors during high-pressure moments. The program’s discovery path consists of four practical phases, each designed for busy athletes who juggle academics, training, and travel: Identify the Core Objective. Before each practice segment, the coaching staff outlines a single performance goal—e.g., “improve transition timing.” Ask “Why?” Three Times. Players discuss the purpose of the goal, its impact on game outcomes, and the personal benefits of mastering it. Growth. An inside look at summer
